Training and capacity building

Filling the knowledge and experience gap for the deployment of ITS

- Training in smart and sustainable mobility face to face & online
- Designed for Public Authorities in Europe & beyond
- On-demand & interactive courses for all levels

ertico.com/academy

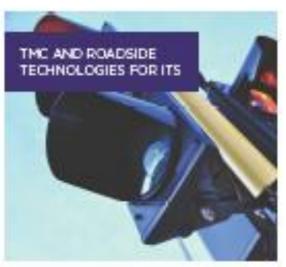

Available Trainings

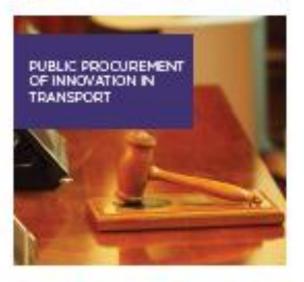

ARCADE

Coordination of Automated Road Transport for Europe

VRA

- July 2013 - Dec 2016

CARTRE

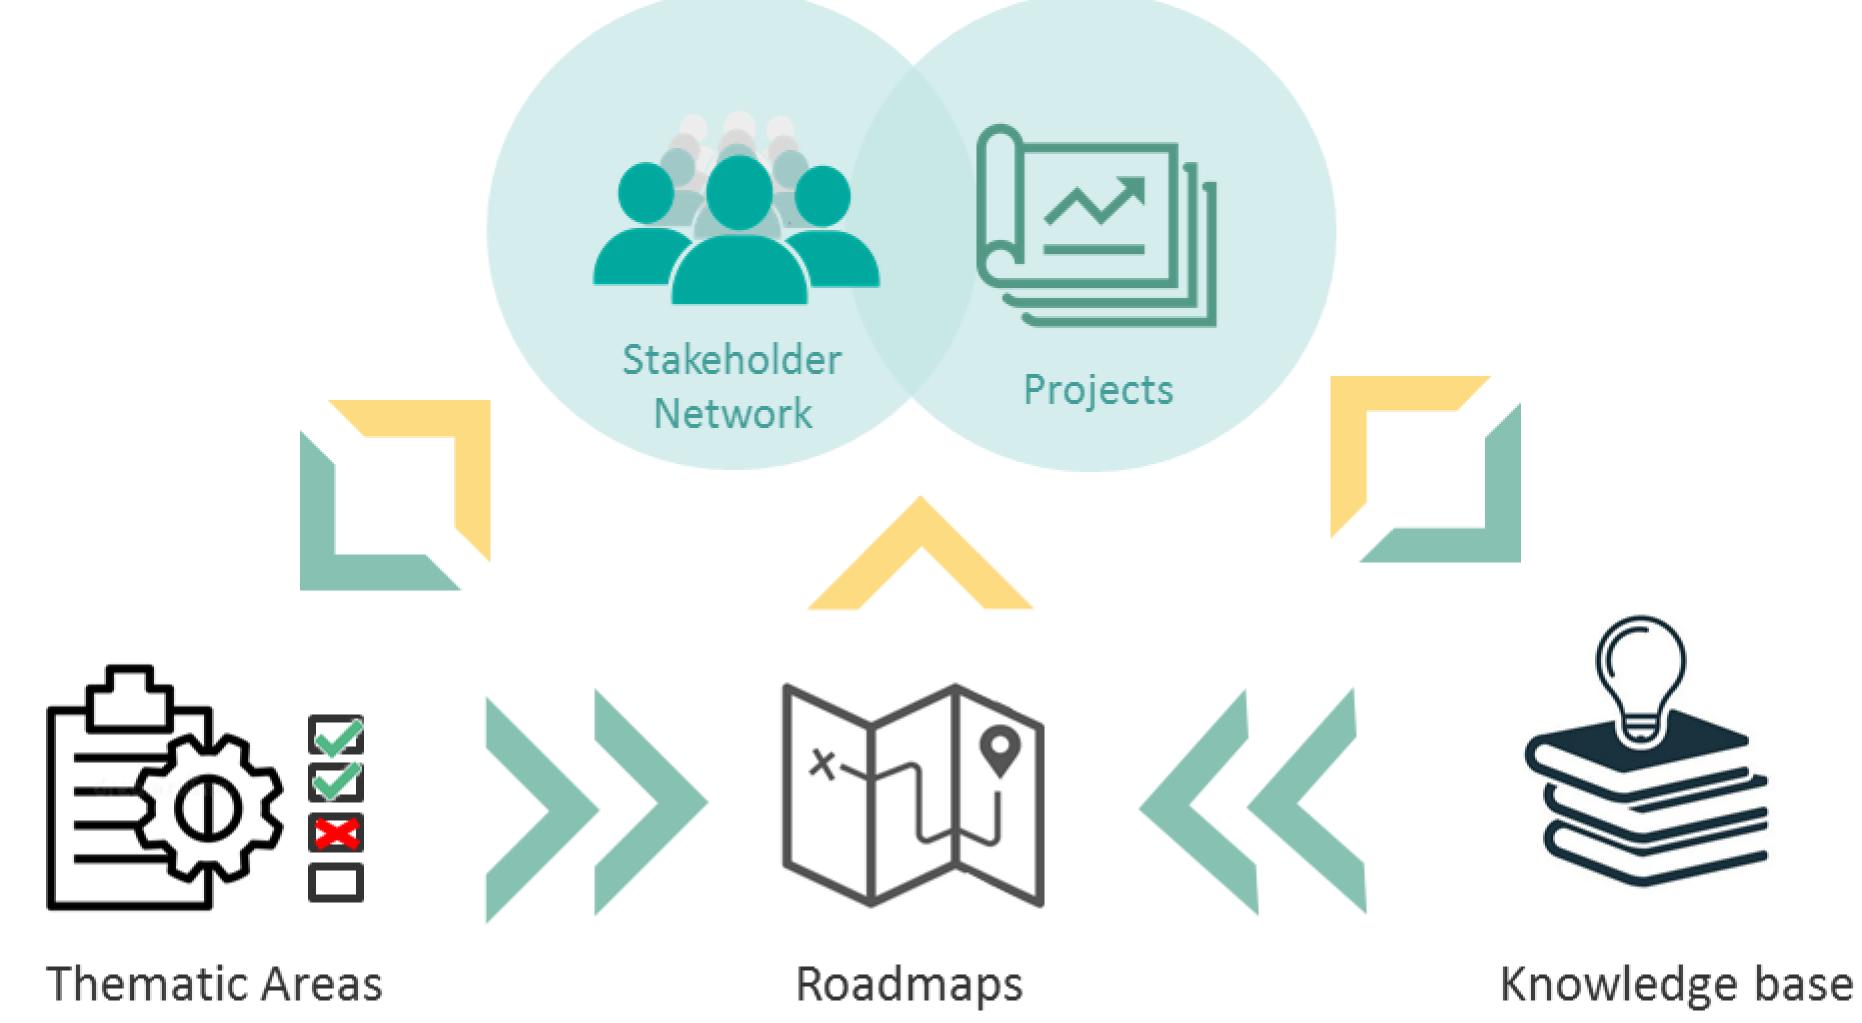

- Oct 2016 Sep 2018
- 36 consortium partners
- 51 associated partners

ARCADE

- Oct 2018 Sep 2021
- 23 partners from 11 States
- 50+ associated partners
- 2000 subscribers

ARCADE Stakeholder Contributions Cycle
